ABOUT THE INSTITUTE

ANNAPURNA NURSING INSTITUTE is committed to providing top-notch education and training to students who are passionate about pursuing a career in nursing. We have a highly skilled faculty team who are dedicated to ensuring that our students receive the best possible education and hands-on training. Our state-of-the-art facilities and equipment allow our students to gain practical experience in a safe and supportive environment. We believe in fostering a culture of compassion, empathy, and respect towards patients, and our curriculum is designed to install these values in our students. Our goal is to produce highly skilled and compassionate nurses who will make a positive impact in their communities and the healthcare industry as a whole.

"Caring is the essence of nursing."

FROM DIRECTOR'S DESK

It is my pleasure to welcome you all to our esteemed nursing college. As the Director of this institution, I am honored to lead such a dedicated and passionate group of educators and learners.

Sincerely,
Mr. Raktim Mandal

FACULTY

Our faculty is made up of experienced and highly qualified nurses who are committed to the success of our students. They bring a wealth of knowledge and expertise to the classroom, and are dedicated to providing our students with a high-quality nursing education.

Laboratory

State of art Clinical Laboratory facilities in compliance to INC & WBNC norms

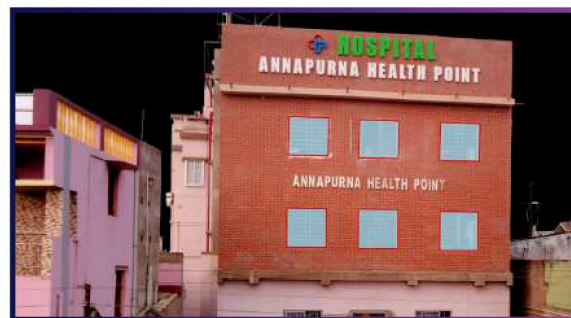

Computer Lab

Computer with simulation software and internet facilities available to open the space for global information and knowledge hub through digital literacy.

Library

Digitized library exists with stack of recognized publishers' books in well numbers to cater the student demand & teaching requirements. Separate reading room Latest health magazines and journals available

Clinical Facilities

- Parent hospital- Annapurna Health Point Hospital at, Rajbandh, Durgapur, P.S - Kanksa, Dist- Paschim Bardhaman, Pin - 713212, West Bengal.
- Facility available for periodical workshops
- Facility for group campaign, sensitization program etc.

Urban & Rural Visit

During the Urban & Rural Visit of our Nurses, we provide the nursing care to patients at their doorsteps to maintain the health & to reduce the mortality & morbidity in family. In many isolated areas around us, Nurses typically work in critical care nursing, trauma, labour and delivery, as well as in typical nursing duties like attending to patients who are sick or injured.
